

WEB & APPS

- Advanced Websites & Shops
- Websites for Publishers incl. Metadata
- Management, Automatic Distribution of ONIX
- Metadata & Fulfillment
- NEWBOOKS White Label App

NEWBOOKS Solutions developed the book industry's platform **VLB-TIX** and is awarded with the **MarkLogic Partner Excellence Award**.

By using ASP.NET, Microsoft SQL Server and NoSQL databases like MarkLogic, we create completely new platforms and websites which include editorial and news systems. In order to quickly access the wide product range of publishers and booksellers, the focus is on ergonomic navigation and optimized search.

Tell us about your project. We'd love to help!

Industry expertise and software know-how for your business success

NEWBOOKS Solutions is one of the German publishing industry's leading software providers, developing solutions for all sectors of the publishing industry at a time of rapid transformation driven by digitization.

Tell us about your project. We'd love to help!
