

Your Journals in the Book Trade

Database for International Journals, Magazines,
and Newspapers

Landing page in publisher's webshop via PIM.RED

Optimised metadata in bookseller's webshop

Up-to-date & Timely

This unique market-leading database integrates journals, magazines, newspapers, and online databases for the book trade. Leading booksellers such as Schweitzer Fachinformationen, BFD, Lehmanns, Internationaler Medienservice (IMS), Hugendubel, Soldan, Sack Fachmedien, and all LIBRI E-Procurement customers use our journal database and data feed for online databases for their webshops and create offers.

Visibility for curated, high-quality content – that's what we strive for every day. With ESV journals in the NEWBOOKS database, we ensure optimal discoverability and increased visibility in the book trade. NEWBOOKS professionally and competently integrates ESV content into its services, and we truly appreciate their support.

Sybille Böhler
Sales and Marketing Management
ERICH SCHMIDT

In addition to incorporating our journals into the NEWBOOKS database, we use PIM.RED to create landing pages for journals in our publisher's website.
